DEAR GOLFERS,

This year marks the 32nd time we have come together as an alumni golfing community and hit the links with the dual purpose of contributing to the IA Student Assistance Fund while also having a great time.

I am so excited to announce that we have been presented the opportunity to be hosted by the Anderson Country Club this year in nearby Anderson, IN. By all accounts, this is a course that is of highest quality and fun to play. It is always promising to upgrade our venue while being able to maintain the registration fee at

the level it has been for the past couple of years.

Our only constraint is that the course limits their outings to 20 teams or 80 golfers. So it is very important that you return your registration cards as soon as possible, or contact me directly to make sure I have you and your team accounted for.

Lets build on the success of the past couple years and make this a Golf Classic to remember.
